## Prudence Island

Narragansett Bay is a magnificent playground for yachtsmen and the two on the cover are out for a sail in a stiff blow with Prudence Island as a backdrop. If you have a yen to get away from it all for even a little while completely, Prudence is the place.

Once a refueling depot for the Navy, the southern end of the island is now a Rhode Island State Park accessible by small ferry from a marina in Portsmouth. Roads on the island can best be described as sketchy - some are dirt paths through private backyards.

The island is heavily overrun with deer although there are some year-round residents dauntless enough to commute to work or school by ferry from Homestead to Bristol.

Yachtsmen enjoy a Sunday sail to the Prudence Island Inn, the only public restaurant on this small island. The beaches are rocky. The points of interest are extremely rare and tough to reach without some method of transportation - bicycle being the easiest to transport to the island. There is one private landing strip for small planes on an estate once owned by a plastic surgeon who flew his patients in and out.

Prudence is almost directly north of Newport in central Narragansett Bay and certainly its best feature is the magnificent off shore view of the bay and surrounding islands.

## Selectmen's Meeting

JUNE 11, 1985 - by VIRGINIA ARRAL

NEW WHARF COMMISSIONER/HARBORMASTER APPOINTED

Citing his "roll-up sleeve" attitude and good paperwork background, Selectmen last Tuesday unanimously voted to appoint Steven Mach of 12 Oliver Street as Wharf Commissioner/Harbormaster. "He has the background to initiate new ideas; rapport is something you have to build," Selectmen John DeCosta said.

Of the five candidates, Selectmen agreed they were pleased with the qualifications of all those seeking the job. They were

impressed with Mach's special training and his availability to the summer needs of the wharf.

Mach suggested seeking CETA youngsters to help during the summer; the need to work closely with the operation of the police harbor patrol boat. He noted his familiarity with budget preparation which he has done in his job as an Industrial Arts teacher for the City of New Bedford and special traning in welding. He teaches electrical shop and has previously taught metal shop, workshop and mechanical/architectural drawing. He added that with the technical drawing ability he can draw plans for any project the board may want.

Mach, a town resident for 16 years, a 1972 graduate of ORR High School and owner of a 26-foot sailboat, has worked one summer for Norman Soares when he was Wharf Commissioner. He has taken the U.S.C.G. Auxiliary Sailing and Seaman Course, is currently enrolled in the piloting course and has applied for membership in this organization whose patrol area covers Buzzards Bay, including Mattapoisett.

Other candidates: Russell Converse, William Hall, Calvin Perkins and Conrad Roy all had good qualifications and some

innovative ideas for the wharf and harbor. George Caton, the dog officer, had applied, but withdrew his application. Foremost in the suggested changes was the need to make better use of the skiff space, build racks for the skiffs that are kept on the beach section; designate sections of the harbor for wind surfing (the north end of the harbor) and water skiing (Molly's Cove area); designing a grid for the harbor, because boats are now moored too close together; and doing something about the winter sticks in the harbor before they cause an accident.

In other business, Selectmen:

APPROVED an all-alcoholic retail package store license to Robert M. Brown of 188 Sharp Street, New Bedford, d/b/a Romeo's, 12 Water Street.

Brown said that as owner, president and sole stockholder, he will also be the manager of the operation. Selectmen Chairman John DeCosta stressed that the board insisted on strict adherence to the law that no liquor be sold to minors.

WERE NOTIFIED by Police Chief James Moran that the board should give consideration to qualifying those town positions which carry guns; such as dog officer, shellfish warden and special police. He noted this would eliminate any liability towards the town for improper training of an officer. The Chief added that his department's service weapons qualification is an ongoing program.

DeCosta explained there is one special policeman who has a permit to carry a gun who is qualified. The shellfish warden Al Pauline has a permit but is not qualified. The board will meet with Moran to further discuss the subject of who should have the use of guns and make sure they are qualified.

WERE INFORMED by COM Gas that they will install a new eight inch gas main along County Road (Route 6) from the end of the existing main at Railroad Avenue easterly

Selectmen expressed dissatisfaction with the road being dug up again so soon and will notify Highway Surveyor Manuel R. Nunes to keep them informed of the work program.

ORR BAND DIRECTOR'S RESPONSE TO MISSING THE PARADE MEMORIAL DAY

In response to the Selectmen's letter to Donald Murphy, Principal of Old Rochester Regional High School, in which they expressed disappointment that the ORR Band did not make their commitment to march in the town's Memorial Day parade, Band Director George Murphy met with the board last Tuesday and read a letter he had prepared in explanation of the band's absence.

Selectman Frank Suzan said, "From our point of view we feel we deserved a notice. Something must be radically wrong", he added.

Murphy told Selectmen there is not much he can do when only 18 kids show up out of 55 band members except to be embarrassed. He said letters were sent to parents well ahead of time requesting signed permission slips for the youngsters to march; very few were returned. By way of explaining the lack of notification, Murphy said he had given a message to a parent of a band member to relay to Mattapoisett officials. The message was not delivered, he added. "I honestly don't know why they didn't contact you," Murphy said.

The Selectmen's letter, which was also sent to School Superintendent Joan Walsh and members of the town's School Committee and ORR School Committee, stated that the

# The Scrambler is coming.

*The Scrambler will turn your dish into a $2,000 mistake.*

They didn't believe it in California. They doubted reports that the most popular cable pay channels would scramble their signals. Instead, they listened to the dish antenna salesman. "It'll never happen," he said. Boy, was he wrong.

Last month, California dish owners turned to HBO and it was gone.

Now Showtime, Cinemax, and the other pay channels are set to scramble too. Before you know it, The Scrambler will be here.

Let's face it, if you've got a dish and The Scrambler comes, what have you got? On the other hand, if you've got American Cablesystems and The Scrambler comes, you've still got top quality programs and excellent service. And no $2,000 dinosaur sitting in your yard.

So, whether you own a dish or not, American Cablesystems is here to help you. To get all the information you need, call us at 748-2400 now. Quick. Before The Scrambler gets here.

board's major concern was the fact the parade committee, chaired by John DeCosta, was not notified that the band would not participate. It was noted in the board's letter that this absence was the first in many years. A simple phone call even as late as a couple of hours before the ceremony would have made things a little easier. Fortunately, the Old Hammondtown School Band was able to pinch hit and they did an outstanding job. A letter was sent to Old Hammondtown School Principal William Reed thanking the band for its participation.

Chairman DeCosta, who has chaired the parade committee for 30 years, said that years ago we used to hire a band but the cost had risen from $200. to over $500. what with union wages. "We only have $600. to do the entire parade," he said.

"Bands are a crucial part of a parade and we are fortunate to have the ORR High School Band and the Old Hammondtown Band to fill the slots from having to hire bands," the chairman continued.

Murphy said he had other personal concerns of his own at that time and proceeded to read his letter of explanation, which follows:

MATTAPOISETT SELECTMEN:

Dear Chairman:

The failure of the Old Rochester Regional Band to appear at the Mattapoisett Memorial Day Parade of May 27, 1985, and my failure to contact the parade committee personally, is regrettable. Under the circumstances surrounding me that day, I feel my decision not to attend was justified and will stand by that decision today. Unfortunately, I trusted

the task of informing parade officials of our absence to someone other than myself, but was confident, at the time, that the message would be received before the ceremonies began. At 11:30 a.m. I phoned my pregnant wife, who informed me she was in labor. Being one week overdue, I was taking no chances, and left immediately. When leaving, I asked several people there to inform parade officials of our absence, and my wife became foremost in my mind. We were on our way to the hospital three hours later and our third child was born early that evening.

On Monday, May 27, the band was scheduled to leave the high school at 8:15 a.m. for the Marion Parade. At that time only twelve band members were present so we waited fifteen minutes and attempted to call absentees. The bus left at 8:45 a.m. and arrived in Marion at 8:55 a.m. in time to form and begin the first of five ceremonies we performed that morning. When I saw 18 students (6 met us there) out of a possible 55 present, I was totally disgusted. For months I told the band their presence at these parades was mandatory, and a poor showing would hurt the whole music program and everything we strived for all year. In fact, a letter of philosophy was handed out to every student and parent at the April 24th Awards Banquet. My letter stated that commitment to the music program would insure quality, and a poor marching band equaled a poor concert band, stage band, chorus and poor individuals in the public eye.

The towns insist on quality music education, but when our concert halls are empty, that becomes empty talk. To my knowledge, there was only one appointed or elected official from the three towns present at either the high school or the junior high school Spring Concerts, and one school administrator. How can the total program be fairly evaluated at the Memorial Day Parades?

That brings me to the reason I decided not to march in Mattapoisett. For three years I have given much of my energy, all of my professional knowledge, and too much of my personal life to the music program at Old Rochester, and have never missed a performance obligation. When I took over this failing program, there was one band at the

high school with 17 members, and one band at the junior high school with 25 members. There are now two bands and a show band/choir at the high school combining 75 students, and four bands at the junior high school with a combined 85 students. We competed this year in district, regional, state, and all-eastern competitions and did extremely well. Silver medals were awarded to both the junior high school and high school bands, and plaques, certificates of merit for outstanding performance, and numerous compliments were received for our jazz bands. We have performed extensively in and out of the community and brought the name of the Old Rochester Regional School District out of obscurity in the world of music education. Where were the letters of commendation and words of public encouragement to the bands for their accomplishments?

To subject those students, and myself present on Memorial Day, to the ridicule and embarrassment of marching down the streets of Mattapoisett with less than 30% of the band was something I would not allow. They of all people did not deserve that simply because they were there. I, on the other hand, did not deserve it because I have worked so hard to instill quality and pride into the band.

When I was hired in September of 1982, the Friends of Old Rochester Music gave me a list with 46 areas where improvement was needed in the music department. All improvements possible have been accomplished, but the first item of the list still remains my biggest problem. More parent community support! If I tell my students to be here or there, it is the parents' responsibility to assure their arrival. Detailed permission slips are handed out before every field trip, and must be filled out and signed by the parents. For the Memorial Day Parades, Mrs. Dunn and I handed out 55 permission slips on Monday, May 13th. They were to be returned signed by Wednesday, May 15th. If a student is unable to attend, a note from his/her parent is expected in place of the permission slip. By Friday, May 24th, I had in my possession 8 signed permission slips, and 3 letters of regret. After reminding them again of the parade times and the permission slips for the tenth time in two weeks, I was told I would receive permission slips on the day of the

THE FAIRHAVEN SAVINGS BANK
cordially invites you to enjoy its
Summer Concert Series

Chanteymen Tom Goux and Jacek Sulanowski will perform at the Rotch, Jones, Duff House and Garden Museum at 396 County Street, New Bedford on Friday, June 21st at 8 p.m. These sea chantey singers from Woods Hole have sailed on the tall ships and are ranked among the best in the country.

The second concert is scheduled for Sunday, July 28 at 6 p.m., featuring The Mickie Lee Marshall Band.

Saturday, August 31 at 8 p.m. the Bourbon Street Jazz Band promises a most entertaining repeat performance.

Fairhaven Savings Bank is pleased to present this concert series to you at no charge.

Parking is available at the Swain School.

parade. What more can be done if parents choose not to send their children?

According to a recent article published in the Presto Press, the Old Rochester Regional Band is pitiful and performs once all year. That statement only solidifies my decision to spare those band members and myself the grief of ridicule and the embarrassment of being labeled pitiful in Mattapoisett. If the editor would publish our 1984-1985 schedule of events it would stand alone as a rebuttal of his latter allegation. The article also mentioned the expense of education and the "real world" of business. Where will you find a professional in his field to work more than 1,000 hours for $375.00 or $ .37 cents an hour? Other area schools with marching bands, not only pay the band director what he is worth, but pay numerous assistants as well. My request to retain Joanne Dunn as an aide has been bluntly refused, and deemed almost selfish.

I ask you, the Selectmen and members of the school committee to be careful in your assessment of the music program, and understanding of our desire to please.

If quality and commitment is your desire, you'll get it from me. In return, I ask for quality and committed support.

Very truly yours,
George Murphy
Music Coordinator

Since the photocopy of Mr. Murphy's letter the Presto received from the Selectmen's Office did not include the band schedules for the 1984 portion of the school year, we do not at this time have the complete information he wished printed.

Throughout the school year, the Presto has always printed everything the Music Department (and every department at O.R.R.H.S.) has submitted. We are happy to do so, and look forward to helping in any way we can to promote Mr. Murphy's philosophy for the program and to gain the parental support necessary to achieve it.

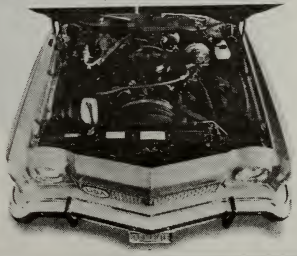
WYNN'S X-TEND Power-Flush
Advanced Cooling System Maintenance



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

SUMMER CONCERT SERIES

The Fairhaven Savings Bank cordially invites you to enjoy its Summer Concert Series.

Chanteymen Tom Goux and Jacek Sulanowski will perform at the Rotch-Jones-Duff House and Garden Museum at 396 County Street, New Bedford, this Friday, June 21st, at 8 p.m.

Fairhaven Savings Bank is pleased to present this concert to you at no charge. Parking is available at the Swain School.

Other concerts will be July 28th, The Mickie Lee Marshall Band; and August 31st, the Bourbon Street Jazz Band.

Tom Goux and Jacek Sulanowski are chanteymen, singers of the tunes sailors chanted to ease their labors aboard the clipper ships and whaling ships in the Age of Sail.

Tom Goux teaches music in the Falmouth

schools and makes Renaissance and Baroque music in various concerts when he is not participating in sea music festivals, performing at sea museums or otherwise promoting sea music.

Jacek Sulanowski is a geologist who is a Bridgewater State College Professor during the school year, a Woods Hole Oceanographic Institution researcher during the summer and a chanteyman every chance he gets.

Since their last performance at the Rotch-Jones-Duff House they have produced a musical sound track for the WGBH-TV documentary "Black Bellamy's Treasure", concerning the sunken pirate ship Widah. In November of last year they were featured performers at the ninth annual Whaling Symposium at the Kendall Whaling Museum, Sharon, MA. In recent months they've given concerts for the Aptuxcet Historical Society, the Chatham Historical Society, Heritage Plantation of Sandwich, the South Shore Folk Music Club and the Folkguild, Needham, MA.

During the upcoming summer season Tom Goux and Jacek Sulanowski will be giving a special series of three performances for Boston's Harborfest, entitled "With Her Face to the Sea" - songs and stories of New England's maritime heritage, presented in the Old South Meeting House on July 5 and 6. Throughout July and August they will be singing to family audiences at the six coastal national parks from Maine down to New Jersey through a grant from the Year of the Ocean Foundation. Other August performances include the celebration of the 185th anniversary of the founding of the Charlestown Navy Yard and a concert at the American Museum of Natural History in New York City.

## Wareham Area Hospice

HOSPICE NEEDS NEW HOME

As many people know there was a fire at the Tobey Hospital Homestead Building on May 6th of this year. Since the Wareham Area Hospice Association office was located in that building the organization is now faced with finding new quarters.

Prior to the fire the office space, phone service, and utilities had been generously donated by Tobey Hospital. After the fire the offices were temporarily moved to the Medical Building at 106 Main Street, Wareham. A committee has been formed to find a permanent location within a close proximity to the hospital.

In addition, there had been a closet full of disposable medical equipment which had been donated by Hospice families. All of this equipment should be replaced as it was used to loan to other Hospice families as they needed it. These items range from crutches and wheelchairs to tub/shower seats, etc. Anyone interested in donating any medical equipment of this

kind to Hospice should please call 295-0880, ext. 298.

The Association serves Buzzards Bay, Carver, Marion, Mattapoisett, Rochester, Sagamore and Wareham.

Hospice welcomes any suggestions regarding a new location. Obviously, reasonable rent will be an important factor. The necessity of moving to a new location requiring more expense to the organization's budget came at a time when Hospice is increasing its services, coverage, and staff. All of these factors will greatly affect the future of Hospice. Any donations and/or ideas regarding a new office location would be greatly appreciated.

## Fairhaven Homecoming

THIS SATURDAY, JUNE 22nd

Fairhaven's annual Homecoming Fair, which each year attracts more than 10,000 visitors, will open at 10 a.m. Saturday, June 22nd, at Center and Walnut Streets. The center historic area, bounded by the Unitarian Memorial Church, the First Congregational Church and the Millicent Library, will be closed off to vehicular traffic for more than 200 booths. There will be art and photograph exhibits, crafts, a variety of foods, puppets, music, clowns and music throughout the day.

Opening exercises will be held on the Town Hall steps at 10 a.m. Musical groups, The Cannonball Express, featuring folk music and songs; Crossroads, providing bluegrass country music; and the Portuguese Folkloric Dance Group will take turns playing throughout the day. From 3 to 5 p.m. Dixieland Jazz will be offered by Local 214 of the Musicians Union.

There will be two church organ concerts. From noon to 1 p.m. Herbert W. Bowker will

Roy Greenson, general chairman, explained that in 1976 the first homecoming fair was organized as a Bicentennial event. The next year it was sponsored by the Fairhaven Improvement Association and has been ever since. Included on the committee are J. Richard Early, Dr. Martha Cummings, association president, and Kenneth Vining. Cheryl Moniz is in charge of the art show featuring works of area artists.

ON SALE AT FAIRHAVEN HOMECOMING JUNE 22

A commemorative Pairpoint Cup Plate of the Mattapoisett Center School will go on sale at the Fairhaven Homecoming June 22nd. George C. Avila designed the plate for the Fairhaven Savings Bank's series which benefits the bank's Community Fund established to support worthy projects in the area.

The Mattapoisett Center School is one of nearly a dozen local buildings Henry Huttleston Rogers' philanthropy made possible during his lifetime. The oil tycoon who grew up in Fairhaven is supposed to have said to his wife one day back in 1897, "I've a mind to build a school for the

boys and girls of Mattapoisett."

"Well, why don't you?" she replied, and in 1899 the school opened to grades one through twelve.

Not everyone knows there are 14 happy Jester Masques moulded in concrete adorning the red brick school - positioned to observe forever the generations of boys and girls who come to play in the schoolyard there. The youthful faces on the masques, smiling and winking secrets, belie the tradition of hickory sticks.

class trip was arranged by Kyle Spark and Chad Foster who are currently researching the Museum as part of their "History of Mattapoisett" unit.

The children rotated through four sections of the Museum. Mr. Francis Rowland relayed information about the uses of old farm equipment and the importance of the salt works industry to the economy of Mattapoisett. Mrs. Rowland compared kitchens and gadgets of the 1700's and 1800's. The children were thrilled when she pulled out homemade cookies from her old cast iron oven. Mrs. Morgan was perfect in her role as the "strict school Ma'm". The children learned more about the old schools of town and they also learned how polite children were expected to respond in the olden days. As a finale, the children were allowed to dress up in vintage clothing after learning how old clothes were constructed to

ATTENTION PARENTS OF YOUNG CHILDREN: ADD READING TO YOUR FUN THIS SUMMER!

"No matter where you go this summer or what you do, a good book can add to the fun." So says LeVar Burton, host of Reading Rainbow, the public television series which aims to make books so attractive to children that they will find reading exciting and pleasurable all year long.

Yes, Reading Rainbow is back! Beginning on June 24 it will be broadcast twice daily, at 10:00 a.m. and 5:30 p.m., Monday through Friday, on WGBH, Channel 2 (Boston) and WGBY, Channel 57 (Springfield). Five new episodes will lead off the schedule. Of special interest is "The Patchwork Quilt", produced on location in Boston.

Again, Massachusetts Educational Television (MET), a service of the Massachusetts Department of Education, is pleased to fund the broadcasts of this award-winning series.

this summer be forming two girls' softball teams:

Younger Division Team (girls finishing grades 4, 5 and 6).

Older Division Team (girls finishing grades 7, 8 and 9).

Any girl in the town of Rochester is invited to join. No knowledge of the game is necessary, just a desire to learn.

The season starts in July and continues through the second week in August. A typical schedule consists of a Saturday morning practice and one or two 6 p.m. games during the week. Depending upon sponsorship the cost per girl is about $10 or $15.

We are particularly trying to bring new girls into the younger division this summer, as we are losing several members to the older division.

There is a need for parents of interested girls to become involved in many ways. Parental support in the past has always been outstanding. For more information or to register your daughter call one of the following: Elaine Stewart, 763-8777, or Carolyn Gray, 763-5697.

## Old Colony Regional Vocational

AUTOMOTIVE TRAINING PROGRAM RECEIVES CERTIFICATION BY A.S.E.

Old Colony Regional Vocational Technical High School's Automotive training program is the first in Massachusetts to receive certification by A.S.E., a national institute for Automotive Service Excellence.

The certification process began in September 1984 when the Automotive program conducted a self-study to see if it is keeping up with the industry's demand for better trained mechanics. This study, which was done within the guidelines of the A.S.E. certification program, was completed in December 1984 and mailed to the A.S.E. national office in Washington, D.C.

An independent evaluation team was sent to Old Colony in March 1985 to conduct the final portion of the certification process.

The evaluation team was headed by A.S.E. representative John Viera, and consisted of three local mechanics and one vocational instructor: Steven Turpel of Allied Auto Parts, New Bedford; David Harlow of Shiretown Ford, Plymouth; George Pimental of Parting Ways Mobil, Acushnet; and Luke Leonard of Apponequet Regional High School, Freetown.

The team spent two days at Old Colony doing an in-depth evaluation of the Automotive program, its curriculum, methods of instruction, job placement record, budget and system of record keeping.

On June 13, 1985 the school was notified that it had qualified for certification in six specialty areas: Engine Repair, Engine Performance, Manual Drive Train and Axles, Brakes, Suspension and Steering, Heating and Air Conditioning.

Based on this performance, Old Colony is now eligible to receive training vehicles and equipment from both General Motors and the Ford Motor Company. This assistance will help to ensure an up-to-date Automotive training program for the area's vocational students.

## Marion Art Center

POSTPONEMENT OF "THE DINING ROOM"

The Marion Art Center's production of A. R. Gurney's play, "The Dining Room", has been postponed until July 19th due to the untimely and sudden death of George Carns, a member of the cast. George was in many productions at the center over the last twenty years, and he will be sorely missed. However, his widow, Barbara, plans to produce the show with David B. Boyce as director.

And so, the show will go on July 19, 20, 26 and 27 at 8:30 p.m. with a matinee on Sunday, July 21st, at 3:00 p.m. Reservations for tables and all tickets should be done in advance by calling the Marion Art Center at 748-1266.

ART CENTER AWARDS SCHOLARSHIP

The recipient of this year's Marion Art Center's performing arts scholarship is Ann Riedl of Marion, a recent graduate of Old Rochester Regional High School. Ann has been active in drama in high school where she was president of the drama club, and at the Marion Art Center where she most recently appeared in "Scenes From American Life". In September she will matriculate at Harvard University.

THEATER ARTS WORKSHOP

A Theater Arts Workshop for young people will be held at the Marion Art Center this summer beginning July 2nd and will end with a production on August 10th and 11th in conjunction with the annual Sidewalk Arts Festival.

The program will explore all phases of a production, from the technical to acting technique, improvisation and mime. Directed by Wendy Bidstrup, the group will meet on Tuesdays and Thursdays from 3:30 to 5:00 p.m. The cost for the twelve sessions is $72.00. Pre-registration may be done by calling the Art Center (748-1266). Official registration will be July 2nd before the first session.

WORLD OF DANCE

Our World of Dance was presented by Kay Hanley Alden dance students to conclude their 1985 dance season at the Marion Art Center and St. Anthony's Hall.

MITTON/ANDERSON EXHIBITION

An exhibition of paintings by two local artists will open at the Marion Art Center on June 21st with a reception for members and guests from 6 to 8 p.m. The two women are Nancy Mitton and Laura Anderson. Both painters' work is realistic and features scenes and unusual views of Marion and surrounding areas.

Ms. Mitton, formerly Nancy Dyer, has been a serious painter for the last eight years. She attended Massachusetts College of Art where she studied with George Nick. Her oils portray larger than life renderings of the world in which she lives. These images in cobalt blues of the harbor contrast sharply with the harsh whites and deep shadows of foreground objects. The result is dynamic and exciting.

Laura Anderson studied at the Hartford Art School, and her work has been exhibited in galleries in New York as well as New England. In 1984 she was chosen by Boston Magazine as one of the "84 Faces to Watch in '84". She had a painting on the cover of Yankee Magazine in 1981. Ms. Anderson resides in Marion and also spends a great deal of time on Block Island. Her subjects reflect her personal views of these seaside environments.

The gallery is open to the public Tuesdays through Saturdays 1:00 to 4:30 p.m. This exhibition will run through July 10th.

year. By way of celebration a Summer Dance was held June 14th at the Stone Gymnasium at Tabor Academy. Proceeds from the dance were donated to Tobey Hospital Pediatric Services. Dr. and Mrs. Charles S. Gleason and Dr. and Mrs. Richard Lajoie were co-chairmen of the dance, and Richard Fairweather, treasurer. Music was by the Joe Ponte Orchestra.

The original Seaside School, founded by Margaret S. DeCosta as a summer school on June 24, 1949, was located on Seaside Lane off Converse Road in Marion. It started with four children and the following year the enrollment had increased so that another teacher was added to the summer staff. That fall due to parent request the winter school was formed having two groups, nursery and kindergarten. The school rented different homes until in 1951 it purchased the Dr. Albert Cobb house at 320 Front Street, Marion. The school has remained there ever since and has expanded its facilities to meet the needs of pre-school children.

On November 6, 1965 the room which was added was dedicated to Mrs. DeCosta's mother, Lillian Pierce Silvestri, who was a teacher and inspired the Seaside School. The room looks right over a lovely play

yard. The school has always had an excellent trained staff who places emphasis on the needs of the individual child, realizing each child grows at a different rate of development. The physical, emotional, social and intellectual needs are the primary concern of the teachers. Each activity is planned to help the child grow socially and emotionally as he learns to share, take turns, accept responsibility and develop self-confidence.

Due to kindergarten being included in the public school system the school now has two groups: three and four year olds, plus as of September 13, 1971 an afternoon day care program where the children can have their lunch at school and stay until 5:30 p.m. The school at one time provided transportation for children in Marion only. Due to rising costs it was discontinued. The doors of the school are open from 8:30 to 5:30. Hours of the school are from 9 to 12:00 and 12:00 to 5:30. The school is closed holidays and regular school vacations. Seaside School has always given scholarships to any needy child.

The original Seaside School on Seaside Lane was completely destroyed by fire on November 10, 1969 when the house was hit by lightning; it was rebuilt on March 24, 1971.

On June 25, 1965 the school had a twenty-fifth anniversary dance at Sippican Tennis Club giving the proceeds to Tobey Hospital Pediatric Services. It was so successful it was suggested to have a dance every five years.

Seaside is the oldest established preschool in the area and is a valuable integral part of the area educational facilities.

## Honored in Second Career

A. HAUPTMAN AWARDED RENEWAL OF CHILD CARE CREDENTIAL

Arthur Hauptman of Little Peoples College, Mattapoisett has been awarded a renewal of the Child Development Associate (CDA) Credential in recognition of outstanding work with young children. The credential renewal was awarded by the CDA Credentialing Commission, which represents the early childhood profession through its member organizations.

Mr. Hauptman is a 72 year old retired insurance adjuster who went back to college to become a pre-school teacher.

He is on the Mattapoisett staff of Little People's College, works mornings and is very popular among the children.

CDA is the only major national effort to improve child care by evaluating and recognizing the skills of individuals providing care. Although the first credential was awarded just 10 years ago, about 30 states already include DCA in child care licensing regulations. Others are considering similar action.

Parents who use child care are especially concerned today about their children's welfare. Every candidate for the CDA Credential is observed working with young children and is evaluated by a team which includes a parent and early childhood experts. The candidate must demonstrate ability to work with families to develop children's physical and intellectual capabilities in a safe and healthy learning environment.

CDA is having a positive effect on the quality of center-based child care. Its biggest impact may yet occur with the credential's coming availability for family day care, the most common form of care for young children.

Child care staff and parents wanting more information on CDA should write: CDA, 1341 G Street, NW, Suite 802, Washington, D.C. 20005; or phone toll free, 1-800-424-4310.

## Glass Museum

VOLUNTEERS FOR "NEW" GLASS MUSEUM

The newly-restored and expanded New Bedford Glass Museum is seeking more volunteers to staff its new galleries and decorated period rooms.

The Glass Museum recently re-opened its doors to the public with three new galleries, and a complete glass archival study center.

Volunteers are needed to orient visitors to the newly furnished Victorian and Greek Revival bedrooms, as well as the coming special exhibition, The Queen's Choice: Burmese 1885-1985, August 17 through December 29. Volunteers in the Museum's 1821 Rumford Kitchen will be attired in period costume, and will be trained to explain the care of fine glass and silver to Museum visitors.

Volunteers are also needed in the Museum's Glass Gift Shop.

Training will be provided for all positions by the Museum's professional staff.

For more information please call the Museum at 994-0115.

BURMESE CENTENNIAL AT NEW BEDFORD

The New Bedford Glass Museum will present a special exhibition, The Queen's Choice: Burmese 1885-1985, August 17 through December 29. The exhibition will be on view in the Museum's Bullard and Avila Galleries every day from 10 a.m. until 5 p.m. (Sundays, 1-4 p.m.).

The Queen's Choice: Burmese 1885-1985 celebrates the centennial of the invention of "Burmese" art glass in New Bedford by Frederick Shirley of the Mount Washington Glass Company. Shirley's invention touched

off a ten-year fad for collecting this precious and extremely fragile heat-sensitive glass, whose chief coloring agents, uranium oxide and gold oxide, produce its distinctive yellow into peach shading. Its most famous collector was Queen Victoria, and it was in reference to this patronage that Mount Washington licensed Thomas Webb and Sons of England to reproduce its Burmese formula as "Queen's Ware".

The exhibition focuses on Shirley's original Mount Washington Burmese works, but also includes contemporary imitations and later revivals by Webb, Clarke, Pairpoint, Gundersen, Bryden, and continental makers. Over 100 objects are included in the exhibition, drawn from the Museum's own collection as well as public and private collections in Maine, Vermont, New Hampshire, Massachusetts, New York, Tennessee, Michigan, and California.

The Queen's Choice: Burmese 1885-1985 will also be the subject of a day-long seminar in New Bedford on Sunday, September 15th. Aspects of "Burmese" connoisseurship and history will be discussed by Kenneth Wilson, Director of Collections, The Henry Ford Museum; Dr. Wilfred Cohen, California author and glass collector; Robert Bryden, President of The Pairpoint Glass Company of Sagamore, Mass; and Janie Chester Young, Director, The New Bedford Glass Museum. Registration for the seminar is through the Museum, 50 North Second Street, New Bedford MA. 02740 (994-0115).

## Educational Opportunity Center

SUMMERTIME CAREER COUNSELING PROGRAM

The Educational Opportunity of Southeastern Massachusetts is offering a Summertime Career Counseling Program of individuals who are exploring the possibility of beginning or returning to college on a part-time or full-time basis in the Fall or Winter terms. This program is free of charge, as are all the services of the Educational Opportunity Center.

The program is on-going throughout the summer and involves approximately five hours of career counseling, college application assistance and financial aid counseling. Each person will meet individually with an educational counselor to help them explore and discuss career interests and locate specific courses at area colleges. The final part of the program will help individuals complete financial aid forms.

A high school diploma is not necessary to participate in the program, and those who already are in college or have been in college previously are welcome to participate.

## Westport Historical

"GREAT ESTATES NEAR BOSTON 1700-1840"

"Great Estates Near Boston 1700-1840" is a presentation by Charles A. Hammond to be given Thursday, June 20th, at 8:00 p.m. at Alumni Hall in The Bell Schoolhouse, 25 Drift Road, Head of Westport, sponsored by the Westport Historical Society, Inc.

The presentation will explore the aspects of architecture and landscape design illuminating the nature of these important entities, assisting with the aid of biographical information.

Mr. Hammond will demonstrate that Boston had a number of important country seats derived mostly from English sources in the pre-Revolutionary period; but that during the early Federal period, Americans let go the blinders of the British Empire and traveled to the Continent seeking French and even Italian sources for the architectural and landscape design elements used to construct their country seats.

Mr. Hammond is the Director of the Gore Place Society and is on the faculties of both Radcliffe and Pine Manor Colleges, lecturing extensively in the New England area. He has also written two books, both on aspects of Gore place including an illustrated catalogue of the Gore's collection of decorative art objects. Mr. Hammond teaches architectural history and the history of landscape design, having received a Ph.D. from Boston University's American & New England Studies Program in 1982.

Reservations are necessary. Tickets for this lecture are $3. for members and $4.

## Friends Academy Workshops

Friends Academy's Summer Workshops begin their sixth summer at the Tucker Road campus in North Dartmouth on July 1st. Workshops offered to students in grades 1 through 12 include courses in black and white photography, video, computer, drama, drawing and painting, wood sculpture, and elementary physics. Class sizes range from 5 to 15 students, and many openings are still available. The application deadline is June 25th.

The new Angelica Lloyd Clagett Computer Center will be the site of Computer workshops offered in LOGO, word processing, and PASCAL. These courses will be taught by Tom Light, an instructor at the Academy.

Kid Video is the name of a new workshop taught by Cynthia Marland, an instructor at New Bedford High School. The course will entail instruction in the use of video equipment and production of videos.

Joseph Thomas, managing editor of Spinner magazine, will teach the photography course. Artist Kathy Miraglia will instruct the Drawing and Painting workshop, and sculptor Richard Creighton will teach wood sculpture. Friends Academy teachers Kathy Young and Michelle Rousseau will teach workshops in Children's Drama and Gadgets and Gizmos respectively. The latter course is a physics projects workshop for youngsters in first through third grades, designed around the delight in discovering

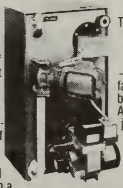
HEAT YOUR HOME WITH 27% LESS OIL.

Many oil boilers in America operate at only 60% efficiency (which means 40% of the heat is going right up the chimney). A new Weil-McLain Model 66HE oil boiler operates at an impressive 82% efficiency. If you have an old fuel-wasting boiler, you could reduce your fuel oil usage by 27% with a new 66HE high-efficiency oil boiler.



The 66HE oil boiler is made of cast iron to give you years of dependable comfort. It's from Weil-McLain — America's leading manufacturer of home heating boilers for over a century. And we have one that's just the right size for your home.

Call us today. We'll show you how you can cut costly energy waste.

# The Great Grapefruit Diet™

ALL NATURAL APPETITE SUPPRESSANT AND FAT REDUCER

INTRODUCING . . . the latest development in nutritional weight loss technology . . .
. . . the 4-way, all natural weight loss sensation!

1 GRAPEFRUIT EXTRACT — Fruit enzymes promote fat reduction by stimulating cell metabolism.

2 THE GREAT GRAPEFRUIT DIET also contains GLUCOMANNAN, the amazing vegetable fiber, used in Japan for over 1500 years, which absorbs over 50 times its weight in fluids - giving a comfortable "full" feeling, while cleansing your system. Glucomannan, as a high-fiber substance, has the ability to restrict the absorption of fat and cholesterol in the intestines.

3 THE GREAT GRAPEFRUIT DIET contains kelp, lecithin, apple cider vinegar and vitamin B6 - the oldest and most widely used natural fat-reducing formula in the world* - for burning and emulsifying fat and to flush it out of the system.

4 Uva Ursi is added to the GREAT GRAPEFRUIT DIET as a gentle, smooth-acting natural diuretic to prevent fluid retention, puffiness and bloating.

*The Great Grapefruit Diet*™ is carefully formulated with the best natural ingredients to REDUCE FAT AND SUPPRESS APPETITE . . . *Naturally!*

Mulliken of the Kingston Kangaroos. "We'll continue walking year 'round, but the 'Strut' is an excellent opportunity to highlight the sociability of walking and the necessity of keeping fit."

Prizes for the walk (not a race) include a weekend for 2 at the Sheraton Boston to the walker soliciting the greatest amount for RSVP. For the eldest walker there will be a year's membership at Game Point and a perpetual engraved trophy to the town where the eldest walker resides. Four pairs of walking shoes will be awarded randomly to "Strut" participants. Coffee and pastry will be provided by Mayflower Seafood and McDonalds Restaurants. A celebration will follow the "Strut" for walkers and spectators alike.

RSVP places over 500 senior citizens in over 80 volunteer stations throughout Plymouth County. To help sponsor the event phone 746-5881. Entry blanks are available at all Plymouth Savings Bank locations.

vices for AAA Massachusetts, said this week.

Engrossed in play, vacationing students often forget their traffic safety rules -- something drivers should keep in mind.

Mishaps can occur in a split second as children scurry from behind parked cars, dart across streets in pursuit of adventure or take to playing games in or near the streets.

AAA urges drivers to slow down especially during the first few days of summer vacation. "Motorists should be extra careful when backing out of a driveway, no matter what time of day," warns Hymoff. "Stop and look both ways before entering the traffic flow. A skater, bicyclist, jogger, or young pedestrian may be hidden from view."

Other areas where motorists should be extra careful are:

.Recreational areas - playgrounds, swimming pools, tennis courts, ice cream and fast food stores, movie theaters.

.Urban residential areas -- lack of space and few recreational facilities tempt youngsters to use streets as playgrounds.

.Suburban residential areas -- corners, curves, and driveways are often "blind" and bike use is high.

## St. Luke's Hospice Training

Are you interested in learning about Hospice or becoming a Hospice volunteer?

Hospice of St. Luke's Hospital of New Bedford will begin a training program for future volunteers on September 24 which continues through October 29. Classes are held on Tuesdays and Thursdays.

The Hospice volunteers provide support and practical assistance for persons in the terminal phase of an illness and for the bereaved. The training program prepares volunteers to gain insight, to be supportive listeners, to learn about the process of death and grief, and to learn ways that will assist terminally ill patients and their families.

If you are interested in the training program you may obtain further information by contacting Jo-Ann Beaulieu at 997-1515, ext. 2520.
